

Sponsorship Benefits

In 2010-2011 approximately 1,100 people attended our band concerts. This is an average of 275 people **per concert** who will be looking at your advertisement.

In 2010-2011 Providence Grove High School hosted 6 home football games. Average attendance for each of these games is 3,000 people. In the event of playoff contention in 2011-2012, the number of home games will increase as will your advertising exposure.

On September 25, 2010 the PGHS Marching Patriots hosted its first annual band competition. Over fifteen (15) bands and 3,000 people from surrounding counties attended. Our second annual Battle of the Bands is scheduled to be held November 5, 2011.

We are expecting even greater attendance for this event.

In 2010-2011 our eighteen wheel band trailer traveled 500+ miles across Guilford and Randolph County. This trailer was used to transport our equipment, uniforms and instruments to five band competitions. Each competition had an estimated attendance of 2,500. Last year we attended competitions at the following schools: Southeast Guilford, Northwest Guilford, Ragsdale, Eastern Randolph and the Randolph County Invitational at Southwest Randolph High School.

Our website averages hundreds of "hits" per month.
