May 2011

Dear Family, Business and Community Leader,

Providence Grove High School Band Boosters, Inc., Band and Colorguard Parents and Students are approaching businesses, organizations and individuals to obtain sponsorships and donations in an effort to raise funds to purchase music, instruments, equipment, and supplies for the upcoming 2011-2012 school year.

As a new Band program, we have struggled to raise funds for our arts program. Over the past three years, we have borrowed music, hats, flags, and other items from various schools and resources. Sponsorships and donations are desperately needed in order to achieve, promote and expand Providence Grove High School's Band and Colorguard program. It probably comes as no surprise that Randolph County School System's funding was quickly depleted, with little money to support our Band and Colorguard needs. The success of our Students and the above-mentioned programs at Providence Grove High School depends upon the support of community members, individuals, businesses and organizations.

Despite these challenges, with much hard work, rehearsal, and enthusiasm our Marching Band, Symphonic Band and Colorguard have consistently performed with excellence. Many individuals in cultural arts programs across the county and state have commented on the high standard to which our Students hold themselves. Our goal is to assure that this standard is never lowered due to lack of monetary funding.

The Providence Grove High School Marching Band will be hosting its second annual Marching Band competition on November 5, 2011. Will you please consider advertising with us or sponsoring one of the many trophies we will be awarding at this significant fund-raising event? Please review the attached order form and if you choose to support our Band program, select your level of sponsorship or trophy and follow instructions noted on the bottom of the form.

We would greatly appreciate your support of Providence Grove High School's Marching/Symphonic Bands and Colorguard. With your help our Students will proudly represent you, our community and school.

Sincerely,

*"Music expresses feeling and thought, without language; it was below and before speech, and it is above and beyond all words." – Robert G. Ingersoll*
